

California Competes Tax Credit List of High Poverty and High Unemployment Areas

Applicable to applications submitted July 27, 2020 – August 17, 2020

“High poverty area” means a city and/or county within California with a poverty rate of at least 150% of the California statewide poverty rate per the most recently updated data available from the U.S. Census Bureau’s American Community Survey 5-Year Estimates thirty days prior to the first day of the applicable application period.

“High unemployment area” means a city and/or county within California with an unemployment rate of at least 150% of the California statewide unemployment rate per the most recently updated data available from the California Employment Development Department on <http://www.labormarketinfo.edd.ca.gov/> or the equivalent website thirty days prior to the first day of the applicable application period.
