The California Community Reinvestment Grants (CalCRG) Program allows up to six organizations to partner in a collaborative grant application to deliver coordinated programs and services. A Lead Applicant must be designated to act on behalf of all organizations within the collaboration.

During the application period and grant term, GO-Biz will direct all correspondence to the Lead Applicant. All other organizations within the collaboration will be subgrantees and must have costs associated in the budget. GO-Biz will issue all grant payments to the Lead Applicant and it will be the Lead Applicant's responsibility to direct payments to the participating organizations in accordance with the approved budget in the grant agreement.

All organizations within the collaboration, including the Lead Applicant, must be an Eligible Applicant as defined in the Fiscal Year 2021–22 Grant Solicitation, meet all eligibility requirements no later than the Phase 1 application due date, and must maintain that eligibility throughout the application process and during the grant term if awarded. **If any of the organizations within a collaborative application do not meet eligibility requirements by the Phase 1 application due date, then the entire application will be disqualified.**

Each person signing this declaration represents and warrants that they are authorized and have the legal capacity to execute this form on behalf of their organization. Each signer below does hereby declare their respective organization agrees to be included in the collaborative grant application for the Fiscal Year 2021–22 CalCRG Program and agrees to the terms and conditions outlined above and in the Fiscal Year 2021–22 Grant Solicitation, including the requirement that an organization may only be included in one grant application, either as a single organization applicant or as part of a collaborative application.
